# SENIOR CLASS SCRAPBOOK

## 1983-84

Saint Mary's College

# Saint Mary's College

Office of the President

Honored Seniors:

This note is written to you as a "fellow graduate." As you know, you and I are enjoying our final year at Saint Mary's.

You are the young people that the faculty, administration and I have come to know and appreciate. Your departure leaves a void on campus that reflects the contribution you have made to the living and learning community that is Saint Mary's.

Some time ago you entered the college as a young, perhaps confused, and certainly a hopeful person. We celebrate with you today your maturity, your intellectual growth and your contributions to the life of the campus. This is an occasion for your satisfaction over your accomplishments and for your gratitude towards those who have shared their dedication and their love of learning with you.

Now as you leave Saint Mary's it is my wish and prayer that the people you have met here will inspire your choice of a Christian life-style and a life-long desire for learning. God bless you.

Sincerely,

  
Peter Clifford, F.S.C.  
President

April 9, 1984

Dear Seniors,

WELCOME INTO THE ALUMNI ASSOCIATION OF SAINT MARY'S COLLEGE!

Please allow me to share with you some of the most frequently heard reasons for NOT staying in touch with your alma mater:

- + The man on television told me to stay tuned
- + I'm enrolled in aerobic scream therapy
- + I did my own thing and now I have to undo it
- + I don't want to leave my comfort zone
- + I'm touring China with a Wok band
- + My mother would never let me hear the end of it
- + It's too close to the turn of the century
- + The monsters haven't turned blue yet, and I have to eat more dots
- + I'm being deported
- + I'm trying to be less popular
- + I have to study for a blood test
- + I'm observing National Apathy Week
- + Having fun gives me prickly heat
- + I've decided to dedicate my life to linguine

My response to these reasons are:

- + Keeping your address up to date automatically brings you the SMC quarterly magazine UPDATE. You'll find the "Alumni News Notes" section fun and interesting. Also, you'll want your SMC friends and classmates to know when you are promoted, married, had children, died, or have been deported.
- + We are a source of information when you want to look up an old friend or roommate.
- + We can put you in touch with other alums when you move to a new city who can help you find a job, a place to live, recommend bankers, realtors, schools, babysitters, etc. There are over 10,000 alums just waiting to help another SMC graduate. All this is possible within your comfort zone.
- + The Alumni Association sponsors approximately 20 social functions each year in Chicago, the Twin Cities, Detroit, Milwaukee, St. Louis, Los Angeles, San Francisco, San Diego, New York, Denver and Winona. We want to be able to let you know of these get togethers.

- + Homecoming is the biggest annual event of the Alumni Association. It's actually reunion time for 5, 10, 15, 20, 25...right on up to the 60th class year anniversaries, but many come back every year. Each year the alumni office houses, feeds, babysits, and entertains some 500-600 alumni and their families in mid June. It's a grand time and you wouldn't want to be left out just because we didn't have your correct address.
- + They've discovered a cure for prickly heat.

We'll miss seeing you around campus every day but look forward to seeing you again either in your city or back on campus whenever you can get back for a visit. Please feel free to call, stop in or write. We'd love to hear from you.

Sincerely,

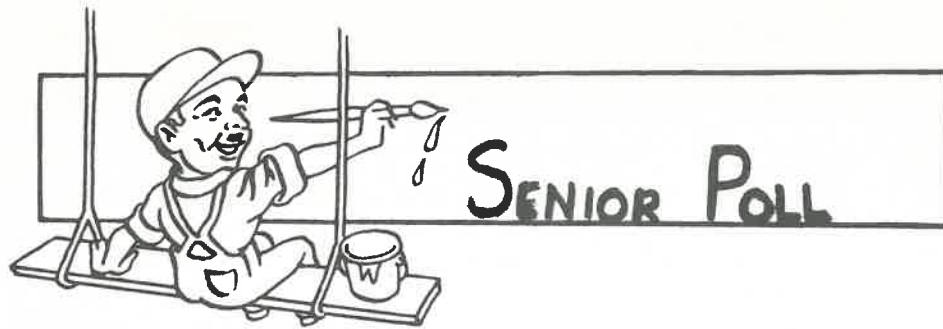

Darlene C. Paulson  
Director, Alumni Affairs

to see that we're getting faced

The weekend comes

my date is an hour late  
he's had too many beers

Hey, hey we're the freshmen  
people like to push us around  
we're too busy studying

Start spreading the Troll  
what's for dinner tonight?  
it's time to pile into the car  
road trip to Mac's

I want to wake up in the village where  
I live, to find the Wad's on my tail  
have to see Gar--on restitution--  
that's going too far

These vagabond shoes, are longing to  
stray, they find their way to DeLa Salle,  
Rome, Paris and Spain

If we can't--get a man  
at least we'll get a tan  
it's up to us at SMC

## Sophomore Year--"Only The Good Die Young"

Come out you sophmores, don't hesitate  
whatever you do you won't get a date

Taking the MMPI

Cut baby bio at least twice a week  
Bro. Raymond taught us to speak  
think of the things we might have learned  
if books were are main concern

So come on you sophmores don't get the blues  
the bus to Daytona is leaving soon  
no need to hide from Gail and Sue  
Joe's keeps rockin' on

We always did get, by

## Senior Year---"Fame"

St. Mary's look at me  
a senior is what you see  
we love weekends and Thursday night club  
All My Kids at 12 in the Pub

Resumes are no fun  
but we must get them done  
I can't stand the walk on the path  
when it leads to the caf

Remember to scope--  
friends, we will always remember all of those  
maggoty times, ya!  
people we'll miss next September, and  
all of those infamous lines--I'm totally sure,  
WAA, Big Face

Prom, I've got to find me a cute date

Bye--flingmates, teachers, and good friends  
Mary's remember our names  
Remember, remember, remember

*We're so glad we've had this time together  
Just to have a laugh and sing a song
