Graduate School of Health and Human Services Alumni Newsletter

A message for Saint Mary's Alumni and Friends

We hope that you and your loved ones are safe and healthy. All Saint Mary's campuses and locations are closed to the public, and all events through July are canceled or postponed. Most offices are operating remotely so we can continue to serve alumni, staff, faculty, and students. We encourage you to visit our website, smumn.edu/covid19, for updates on the university's response to COVID-19.

Wherever you are in the world today, please know that your Saint Mary's family is thinking of you.

Online Alumni Programming

Coming soon to a device near you, online educational and networking opportunities for our Saint Mary's alumni. Stay tuned, more details coming next week.

Alumni Spotlight:

Blair Honsey M'17

For years, depression has been associated with cognitive difficulties. Blair Honsey M'17, a Saint Mary's doctoral student, is the lead author on a study, which provides a new perspective. She is researching the link between Parkinson's disease and depression. [Read more.](#)
