Upcoming Alumni Events

The Future of Supply Chain Management with Michael Ratajczyk

Supply Chain Management Virtual Presentation with Michael Ratajczak

Wednesday, June 1, 2022

Noon - 1:00 PM

Zoom - link will be emailed to those registered

In this presentation, Michael A. Ratajczyk, Ph.D. (ABD) will discuss the new frontier of business and technology as it relates to the innovations in supply chains and the expectations of resilient and reliable networks. Artificial intelligence and expert systems tied into enterprise resource planning systems allow supply chain analysts access to increasing internal and external data. [Learn more & register.](#)
